

TRAINING THE NATURAL WAY

CIEH Level 2 Award for Hygiene in Health and Social Care (infection Control)

This qualification will benefit those working directly with patients/clients in a health and social care environment. It will help care workers recognise the causes of infection and help them to assess the risks that their actions have on the health of their patients/clients whether that is in residential care or in their own homes, in private or public care sectors.

Syllabus outline:

1. Introduction to hygiene
2. Hygiene hazards
3. Personal hygiene
4. Cleaning

The course covers:

- Terminology
- Relationship of hazard and risk in prioritising action
- Relevant legislation relating to hygiene practice
- Concepts of hygiene hazards and infection control
- Importance of good personal hygiene
- Need for high standards of cleanliness to help prevent infection

Duration: 4.5 hours (including the examination)
